Index to Volume XXIV

ABBOTT, M. L. See Stern, W. E., 57
Abscess, intracranial
angiographic features of, 693
gas bacillus as cause of, case report, 752
ADAMS, J. E. See Smith, M. C., 86
——. See Stevenson, G. C., 544
ALBIN, M. S. See Verdura, J., 1002
ALEMÀ, G., PERRIA, L., ROSADINI, G., ROSSI, G. F., and ZATTONI, J. Functional inactivation of the human brain stem related to the level of consciousness. Intravertebral injection of barbiturate, 629
ALEXANDER, E., JR. Introduction to neurosurgical techniques, 318
——, DAVIS, C. H., JR., and PIKULA, L. Aneurysm of the posterior inferior cerebellar artery, filling the fourth ventricle. Case report, 99
——. See Davis, C. H., Jr., 987
AMELI, N. O., ARMIN, K., and SALEH, H. Incisural meningiomas of the falco-tentorial junction. A report of two cases, 1027
American Academy of Neurological Surgery, 836
American Board of Neurological Surgery, 115
American Medical Association, Section on Nervous and Mental Diseases, 1063
ANDREW, J., NATHAN, P. W., and SPANOS, N. C. Disturbances of micturition and defaecation due to aneurysms of anterior communicating or anterior cerebral arteries, 1
ANDY, O. J. Sensory-motor responses from the diencephalon. Electrical stimulation in man, 612
Aneurysm
extramedullary, of the spinal cord, case report, 1021
of anterior communicating artery, 1057
Aneurysm, extracranial
carotid, report of 4 cases, 667
Aneurysm, intracranial
carotid, angiographic end-results of carotid ligation in treatment of, 966
cerebral cortical, iatrogenic, case report, 672
changing size of, case report, 573
epidural arterio-venous, traumatic, report of 2 cases, 576
of anterior communicating or anterior cerebral arteries, causing disturbances of micturition and defaecation, 1
of posterior inferior cerebellar artery, filling fourth ventricle, case report, 99
of vertebral-basilar junction, pneumoencephalographic findings, 530
ruptured, after coating with methyl 2-cyanoacrylate, case report, 889
traumatic, of anterior choroidal artery, case report, 102
see also, report on cooperative study of—.
Annual Institute on Neurology, Philadelphia Neurologic Society, 836
Aqueduct of Sylvius
conversion of communicating hydrocephalus to stenosis or occlusion of, during ventricular shunt, 520
membranous occlusion of, 24
treatment of obstructive lesions of, and the fourth ventricle by interventriculostomy, 11
treatment of obstructive lesions of, by interventriculostomy, 11
ARMIN, K. See Ameli, N. O., 1027
ARPELS, J. C. See Marmor, L., 656

BACHHUBER, R. G. See Jernstrom, P., 679
BALDWIN, M. See Milhorat, T. H., 595
——. See Milhorat, T. H., 687
——. See Ohta, T., 993
Barbiturate
intravertebral injection of, functional inactivation of human brain stem related by, 629
BETTINAZZI, N. See Morello, A., 752
BIDDLE, A. Lumbar arachnoid-ureterostomy combining the Matson technique and the Pudenz-Heyer valve. Report of a case, 760
BIDZINSKI, J. Spontaneous spinal epidural hematoma during pregnancy. Case report, 1017
BLACKWOOD, W. See Stoltmann, H. F., 43
Blood vessels
cerebral blood flow in monkey, electroencephalographic effects of temporary occlusion of carotid and vertebral arteries at varying levels of systemic arterial pressure, 719
extracranial carotid artery occlusion, unusual case of, 108
malformation, angiomatous, as cause of cerebral calculus, case report, 898
repair and replacement of small arteries, microsuture technique, 61
small, in dogs, stapling technique in segmental vein autografts and end-to-end anastomosis of, 855
thalamic syndrome and its mechanism, 735
traumatic carotid-cavernous fistula, case report, 111
vascular malformation, "cryptic," of the central nervous system, 865
vascular malformations of spinal cord, significance of arteriography, 583
vertebral artery, incarceration of, in cleft of longitudinal fracture of skull, case report, 908
BLOOR, B. M. See Nugent, G. R., 34
BOOK, M. H. See Moore, M. T., 558
Book reviews

ABRAHAM, JACOB, MARGOLIS, GEORGE, O'LOUGHLIN, JOHN C., and MACCARTY, W. C., JR. Differential reactivity of neural and extra-neural vasculature. I. Role in the pathogenesis of spinal cord damage from contrast media in experimental aortography, 257

ALBERTS, W. WATSON, WRIGHT, ELWOOD W., JR., FEINSTEIN, BERTRAM, and BONIN, GERHARDT VON. Experimental radiofrequency brain lesion size as a function of physical parameters, 421

ALEXANDER, E., JR., WIGSER, S. M., and DAVIS, COURTLAND H. Bilateral extracranial aneurysms of the internal carotid artery. Case report, 437

ALKSNE, JOHN F., FINGERHUT, AARON G., and RAND, ROBERT W. Magnetically controlled focal intravascular thrombosis in dogs, 516

ANDERSON, P. J. See Siegel, G. J., 83

Aneurysm, extracranial
- bilateral, of the internal carotid artery, case report, 437

Aneurysm, intracranial
- cerebral angiography, analysis of carotid and vertebral angiography in 5,484 patients, 98
- common carotid ligation effect on size of internal carotid aneurysms and distal intracarotid and retinal artery pressures, 503
- conservative management of ruptured intracranial aneurysms, 574
- dissecting microscope for intracranial vascular surgery, 315
- familial, case report, 304
- importance of repeated angiography in treatment of mycotic-embolic aneurysms, 189
- magnetically controlled focal intravascular thrombosis in dogs, 516
- magnetic suture guide for ligation of, 319
- methyl methacrylate investment of, 79
- natural history of subarachnoid hemorrhage, intracranial aneurysms and arteriovenous malformations, 219
- neurological deficits following therapeutic collapse of intracavernous carotid aneurysms, case report 215
- of the anterior communicating artery and gross anomalies of the Circle of Willis, 73
- pericallosal, 512
- prediction of morbidity and mortality in anterior communicating aneurysms treated by proximal anterior cerebral ligation, 280
- results of intracranial surgery in the treatment of aneurysms, 683
- treatment of by occlusion of the carotid artery in the neck, 660

Arteriovenous malformations
- arteriovenous malformations, analysis of 545 cases of craniocerebral arteriovenous malformations and fistula, 467

BAHN, R. C. See Crandall, E. E., 140

BAILEY, I. C. Intracranial spread of adamantinoma. Case report, 455
